**EXCERPT:**

**This is a criminal report affidavit, seeking the arrest of regional killer Adam Urbanski for his programming the poisoning of the RCSD students and for his lead role in conspiracy to murder and human traffic RCSD students and staff. This article discusses the need to understand and stop the criminal steps, regional killer Adam Urbanski, used on Rochester City School District (RCSD) students, to poison them. Please see his above linked RCSD children poisoning mockery article with his fictitious author, James Brown.**

**It is my educator goal to stop his below noted, in place steps to continue poisoning RCSD students, to have them induce hospitalized, in his paid for organized fraud connected University of Rochester Medical Center attachments. I seek to expose and stop his continued criminal use of prepaid hospital payments for label dead, while alive, undead/antemortem creations, and to ban his hospital funeral prepared, label dead, while alive creations. The goal is to expose and stop killer Urbanski's exhume live bodies, labeled dead program. Please note he brings the labeled dead, while alive people, from the stolen or paid for grave sites, to his unsupervised body broker entity, non-transplant tissue bank, or laboratory.**

**This is where he rapes children before blood draining, for adrenochrome mixed blood. This is a type of children's innocent blood satanists thrive off. I seek to impede his human sacrifice kill some children and adults, others medicate and brainwash for human and or sex trafficking. Killer Urbanski is using all of his underground profiting off of killing humans' money to pay for this RCSD poison, induce hospitalize and wipe off of earth killing program. Killer Urbanski is taking part in all these criminal and occultic, things under the disguise of a RTA union president. His human sacrifice inflicted atrocities and killings are all implemented, to meet his satanic cult's required human killing oath with satan and for their innocent children's blood thirst satanic rituals.**

**Regional killer Adam Urbanski, in the above linked article, poisoned the RCSD children as an experiment, for his, below documented, everything in place, RCSD, children and adult, programmed mass human sacrifice killings. I attest to the truthfulness of this document, based on my personal experiences with over 30 years of regional killer Adam Urbanski's, criminally not stopped yet, deadly stalking's and attempted murders of me and his label dead, while alive, human sacrifice killings he inflicted on my healthy mother, father, and sister.**

There will be no more regional killer Adam Urbanski's not stopped and silenced human sacrifice killings and human trafficking satanic wealth plans at the expense of RCSD children. He is a criminal senile warlock. His RCSD Human Capital Investment killing curse office, his executive branch paid for blind eye, and his continued massacres, in silence, stop here today. His killings and his human capital and body broker killing fronts, must and will be demised, and are exposed pursuant to Ephesians 5: 11, as stated below:

REGIONAL KILLER ADAM URBANSKI IS A DANGER TO ALL HUMANS. HE DOES NOT BELONG IN THE RCSD OR RTA AT ALL. I SEEK HIS ARREST, RCSD/RTA REMOVAL AND THE REMOVAL OF HIS CRIMINAL, UNAUTHORIZED, CONFLICT OF INTEREST, NECROPHILIA RCSD HUMAN CAPITAL PROGRAMMED KILLING OFFICE.

**Stock Market Participation: The Role of Human Capital**

Human capital investment is significant for most individuals, while stock market participation is limited, especially early in life.  
**Can human capital be traded?**

Human capital is intangible and can't be purchased or sold directly. For this reason, it does not get much financial press.

Part 1: When Americans leave their bodies to science, they are also donating to commerce.  
**Cadavers and body parts, especially those of the poor.**

**Dear Public Officials:**

**This is a criminal report affidavit. I am seeking the arrest and stoppage of regional killer and over 30 years, criminally usurped Rochester Teachers Association union president criminal, Adam Urbanski, for continued conspiracy to mass murder RCSD children and adults, as described below. The above linked article titled: Rochester City School District Can't Hire Cooks Soon Enough, by his James Brown, impersonation, is a Regional Killer Adam Urbanski, mockery of his poison experiment inflicted on RCSD children.**

**Additionally, I am charging regional killer Adam Urbanski with malfeasance, public corruption, neglect of duty, and treasonous acts of aiding and abetting foreign enemies. Specifically, he is working in alliance with other regional killer satanists, like NYS Governor, Kathy Hochul. The satanists depend on his over 30 years of, steady and delivered, Rochester NY children's drained innocent blood for their wealth and riches satanic rituals and for their necromancy blood thirst. Please read about the other satanists aiding and abetting children poisoning and assaults at pages 10-17 at: <https://archive.org/details/final-may-24-j-2024-regional-killer-adam-urbanski-puts-rcsd-killing-details-in-p/page/11/mode/1up>**

**Please also see pages 106-110, and 112 – 123 at:**

**<https://archive.org/details/final-june-1-2024-regional-killer-adam-urbanski-exhibits/FINALEE%20JUNE%202%202024%20%20REGIONAL%20KILLER%20%20ADAM%20URBANSKI%20EXHIBITS%20/page/122/mode/1up>**

**Regional killer Adam Urbanski has acted as a foreign agent, a satanist, and has criminally used the Rochester Teachers Association union president and his RCSD education usurpation positions, to invoke the appearance of active membership in a subversive satanic organization, with specific intent to overthrow the government, and use democide, genocide, eugenic assassination programming, RCSD children poisoning, induce hospitalizations, children innocent blood draining, human trafficking of students, and human sacrifice satanic ritual killings, as a means of his RCSD and RTA governance.**

**The key features in his above noted student poisoning article are noted below and that the RCSD students were poisoned, while criminally under regional killer Adam Urbanski's Rochester Teachers Association, over 30-year union president gestapo, dictatorship, bigoted and satanic leadership. The article points to the below poisoning details as phenomena:**

- ✓ **TWENTY-ONE OF OUR CERTIFIED FOOD MANAGERS HAVE RETIRED OR TAKEN POSITIONS ELSEWHERE**
- ✓ **THE LACK OF CERTIFIED L-1 AND L-2 FOOD MANAGERS**
- ✓ **FROZEN MEALS SHIPPED IN FROM A LONG ISLAND VENDOR, DIDN'T MEET THE STANDARD.**
- ✓ **THE SANDWICH MEAT WAS DISCOLORED AND MANY STUDENTS, STAFF AND PARENTS WERE CONCERNED THAT IT WAS MOLDY.**
- ✓ **LAST FALL, THE DISTRICT LAID OFF MORE THAN 200 BENTE STAFFERS (OR BOARD OF EDUCATION NON-TEACHING EMPLOYEES), INCLUDING COOKS, AS A COST-SAVING MANEUVER**

**The above propaganda, plus the author's name being James Brown, implies, that the poisoning of the RCSD students was deliberate. The James Brown article writing boasting of the poisoning of the RCSD children, while no investigation, no prosecution, and no penalty was enforced, also implies, that the poisoning of students, was a hate crime, done with James Brown racial undertones. The only necrophiliac, killer, racist, and union president I know, creating situations to oppress, exploit, poison, harm, humiliate, experiment on, induce hospitalize, and discriminate against RCSD students is regional killer Adam Urbanski.**

**Regional Killer Adam Urbanski has over 30 years of satanic ritual assaulting and killing RCSD children and adults, without penalty. The no penalty killings have created a regional killer, mass murderer and a virulent necrophilia with a criminal stronghold to killing more RCSD former and present students and staff. He is the current and unwanted 78-year-old Rochester Teachers Association, over 30 years union president actor.**

**He despises inner city children and needs no RTA money because of his multiple, conflict of interest, criminal, morbid obsessions with death, and current work history with body brokering, cremations, funerals, memorials, autopsies, corpses, cemeteries, insurance money swindles, and creating unauthorized, Human Capital body donor signature gathering offices. All his above noted satanic wealth schemes are associated with death, criminal profiting from the sales of humans, and selling of his soul to demon deities in exchange for wealth and corruption power.**

**Consequently, he has met his satanic killing requirements for his above noted satanic wealth and corruption power, so why is this 78-year-old, who despises urban children, again attaching himself to inner city children? He has connected to the RCSD children for over 30 years and now, for the above noted repeated, deliberate, and silenced children poisonings and induce hospitalizations. The RCSD has a lot of vulnerable population children. Hence, to satanists, vulnerable population children are easy poison, induce hospitalize, label dead, while alive, traumatize and administer blood draining for the blood thirsty satanists.**

**The number one problem for satanists/eugenicists is getting a steady and regular flow of their satanic oath required children innocent and adrenochrome blood for their master satanic rituals. Consequently, most starch satanists, like killer Urbanski stalk children for their innocent blood. See two examples in the below links. Regional killer Boyden Gray is one of killer Urbanski's University of Rochester Medical Center eugenic and satanic cult members. He like killer Urbanski, has a double conflict of interest life. He is alleged dead now, but he was a lawyer and regional killer, like Adam Urbanski is a criminal RTA teachers union president actor and regional killer. In the below links, you will see the satanist Boyden Gray, Boyden School banner and the Urbanski, Urbane school depiction, closed for probably too many children killings. Please see page 113 at: <https://archive.org/details/final-june-1-2024-regional-killer-adam-urbanski-exhibits/FINALEE%20JUNE%202%202024%20%20REGIONAL%20KILLER%20%20ADAM%20URBANSKI%20EXHIBITS%20/page/113/mode/1up> OR PAGE 81 AT: <https://drive.google.com/file/d/1TSiQuKuQpXZrxbCgrx7CdsH2puxicsUX/view?usp=sharing>**

**The RCSD children have been an over 30-year excellent criminal source of steady flow of children innocent adrenochrome blood for killer Adam Urbanski and his satanic cult's executive members. This is the reason for his RCSD children stronghold and for his Rochester, NY Monroe County, DA attack. The satanists want the DA office to be vacant. The satanists, led by regional killer Adam Urbanski want this easy access to RCSD children for satanic reasons to continue, by any means necessary.**

**Killer Urbanski has refused to detach, on his own, from the RCSD children. He is hiding under the RTA union president front, while he is setting up the above and below noted repeated RCSD children poisonings, induce hospitalizations, children rapes for adrenochrome blood, and blood draining's. Since his RCSD poisonings have escalated, have not been stopped and have perfected via his unauthorized, RCSD Human Capital hiring front, he now has everything in place to use his necromancy demon summoned RCSD Human Capital office.**

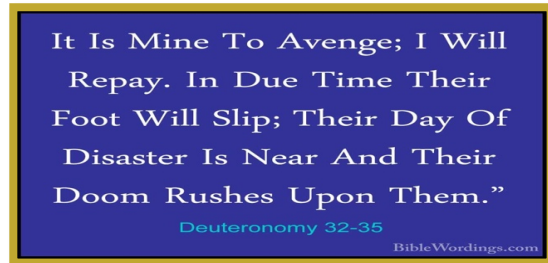

**Killer Adam Urbanski's money paid, and repeated enjoined University of Rochester Medical Center attachment is in place for another Regional Killer Adam Urbanski, paid for children and adult poisoning initiation for the everything in place programmed massacre. For the record, please note, killer Urbanski, paid the University of Rochester Medical Center, money hungry doctors and researchers, for their creation of deadly pathogens, that criminally and effectively, harmonized, neutralized, and killed more than one half of the African population.**

Such was done right from killer Adam Urbanski's satanic, infinite eugenic money, and budget for eugenic and satanic ritual human sacrifice killings. Please see his harmonization the African region foot slip massacre at page 21 at:

Killer Urbanski has everything ready for his experimented and now perfected, RCSD continued children poisonings. He has it programmed up to the type of poison to be rendered per child, by his unauthorized RCSD Human Capital hand-picked appointed food workers. Killer Urbanski has mastered the RCSD above noted children's poisonings as detailed below. I read the above linked RCSD student poisoning article and noted that regional killer Adam Urbanski was and is still the RCSD Rochester Teachers Association union president, during the above noted RCSD student poisoning period. Knowing such, I was alarmed and concerned because his hatred for inner city school students was showing via this poisoning.

Killer Adam Urbanski has been and is criminally still, the non-validated, unauthenticated, and no vote verified Rochester Teachers Association Union President for over 30 years, despite disgruntled teachers with his dictatorship, bigotry, and backwardness. He is a warlock, who stole, better yet manipulated, and criminally usurped the RTA union presidency for over 30 years. He used his satanic oath to sell his soul to lucifer for wealth and corruption power. As such, he targets children and their innocent blood. Also, he criminally pledged the lives of RCSD past and present, students and staff, to meet his massive satanic human sacrifice killing requirements, in exchange for his personal greed for wealth and corruption power. The below is a soft way to summarize his RCSD and RTA inflicted occultism.

I worked in the RCSD for about 10 years. I noted that Killer Urbanski had exterminated most experienced educators. His quest for corruption power over the RCSD was not normal. Hence, when reading, I knew the above linked RCSD student poisoning was a killer Adam Urbanski programming. As such, I read the story and found that killer Adam Urbanski removed all RCSD qualified food workers and brought in food poison money hungry criminals via his homemade, unauthorized, necrophilia associated, RCSD Human Capital office.

Additionally, Killer Urbanski has a recruitment company where he fishes the internet seeking money hungry criminals he can pay and put in the RCSD for his nefarious education and food programming's. The below is his conflict-of-interest criminal money hungry recruitment company I define as his:

18 U.S. CODE § 2389 –RECRUITING FOR SERVICE AGAINST THE UNITED STATES agency.

## **Who The Heck Is This Millionaire Marketing Mentor® Guy?**

Thanks for asking.

 Adam Urbanski

<https://themarketingmentors.com/about/>

There are three issues here. One the RCSD students were poisoned under killer Adam Urbanski's extermination of almost all RCSD qualified and experienced educators. Two, while setting up the RCSD for being the only and most experienced educator in the district, he criminally created and planted his no authority body broker and necromania Human Capital office. This unauthorized RCSD Human Capital concoction criminally usurped all RCSD power over hiring, firing, pension, and employee medical and dental records. As noted above, the emphasized priority of his Human Capital concoction office was for forms and documents. The documents that fester and control in Human Capital offices are BODY DONOR CONSENT FORMS. The only one entrenched in killing, death, dying, funerals, cremations, memorials, corpses, human capital fronts, autopsies, human remains, human capital investment, live organ sales investments, profiting from selling humans, human trafficking, and body donor consent forms, is killer Adam Urbanski. See below.

Human Capital offices are created for funeral homes, body brokers, body chop shops, whole body and live organ investment and sales. Human Capital offices are not authorized to be in schools. Hence, schools that do not participate in necromaniac Adam Urbanski's satanic cult's human trafficking, human sacrifice killing, and live organ sales, have human resources and personnel offices to meet their hiring, firing, pension, medical and dental staff, and student needs.

The third issue is his above noted, conflict of interest, money hungry criminal employee recruitment service, creating a public safety threat for RCSD students and staff. He solicits money hungry people off the internet and created an unauthorized, criminal entity in the RCSD with personnel power to slip in criminals. If his RCSD Human Capital Office was a legitimate personnel office it would be called personnel or human resources like all normal, not necrophilia public schools. Keeping the above facts in mind, I do not believe the RCSD students were poisoned accidentally. Killer Adam Urbanski, with his RCSD Human Capital front, he gets to plant his eugenic/satanic money hungry school food poisoners in the RCSD with no supervision because he created the criminal RCSD Human Capital entity.

In the article, it shows that killer Urbanski programmed, paid off and removed the entire RCSD qualified food staff under the disguise of a phenomenon. Immediately thereafter he programmed the poisoning of the RCSD children with his below documented molded sandwiches. That was his student poisoning experimentation phase. Since then, with no investigations and no penalty enforcement, God knows, he has perfected the criminal poison student and induce hospitalize hate crimes, to a hospital enjoined, RCSD student human trafficking and blood draining, satanic wealth plan, using secrecy cursed money and paid corruption power. See the reference section.

**How many children have been poisoned by his RCSD unauthorized Human Capital hand-picked food poisoners? How many children have been induced hospitalized behind his criminal senile RCSD programmed student poisonings, and his paid for criminal University of Rochester hospital protocol, label dead, while alive fix up for the funeral, to be later removed from the grave, brought to one of his many, unregulated body broker Human Capital body chop shops, where his label dead, while alive are raped, human trafficked, blood drained, and or tortured to death.**

**This is why it is a conflict of interest to have a documented necromaniac with his Human Capital office in the RCSD, next to innocent blood children. It is particularly dangerous, while killer Urbanski, has by criminal design, the most school management experience and the longest ever, over 30 years, most bigoted and useless, teacher union president position. Please read about these Killer Adam Urbanski, handpicked, and hired poisonous food workers, food poisoning phenomena inflicted on the RCSD students as his food poisoning phase 1 experiment.**

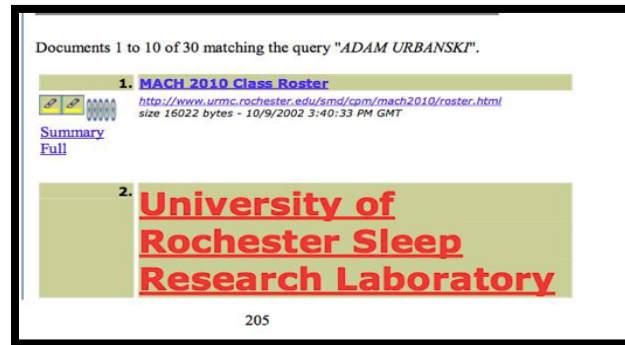

<https://www.roccitymag.com/news-opinion/rochester-city-school-district-cant-hire-cooks-enough-12907707>

**For purposes of clarity, let me explain why killer Adam Urbanski is referred to as such. I worked in the Rochester City School District over 20 years ago and killer Adam Urbanski was the criminal stolen vote union president for over 10 years, while I was there. He had too much corrupted power and control over the school district then and he still does. He is 78 years old now and has no legitimate reason to be in the RCSD near children he despise. Yet, he is still controlling the RCSD personnel and hiring no experience educators so his malicious and deadly, student poisonings, bodysnatching's, human trafficking, and human sacrifice killings can criminally continue to reign.**

**Hence, I am writing about his above linked, RCSD student poisonings, as a wakeup call, for all to work together, to get 78-year-old, killer Adam Urbanski, his poisonings, and his necromaniac, unwarranted, and criminal RCSD Human Capital front out of the RCSD expeditiously. I remember a RCSD competent and experienced superintendent named Kay McClendon. Killer Adam Urbanski paid for a front-page article in the Rochester newspaper and lied and said the Rochester Teachers Association voted her incompetent. She was experienced, qualified, and competent. He slandered her maliciously because he resents experienced and qualified educators and particularly educators of color. She was criminally and enviously exterminated.**

**As a new teacher at that time, that experience was profound. I thereafter met another educator of color, with a PHD. She wanted to excel in the RCSD, and she was victimized, induced hospitalized, by killer Adam Urbanski's attached criminal, conflict of interest, name aligned, University of Rochester Medical Center, induce sleep deprivation, trauma, and nervous breakdown, disguised as sleep research. I did not know what I know now. I knew Adam Urbanski was exterminating experienced and qualified educators of color disproportionately via slander and his induce sleep deprivation nervous breakdowns. Please see the below killer Adam Urbanski, conflict of interest, University of Rochester Medical Center induce sleep deprivation and induce nervous breakdown programming disguised as sleep research.**

I found out about this, after determining to find out what happened to me before I resigned. I too was assaulted with his deadly induce sleep deprivation disguised as sleep research, I never authorized.

While working there, I was on the RCSD Charlotte Middle School, School Based Planning Team. I requested an investigation into the discriminatory impact of the RCSD Major Achievement Program. This honoree program was not diverse, in a majority diverse school district. There were no African descendent students in the MAP program and the school district was majority people of color. An investigation showed the criteria for entrance into the Major Achievement Program was not based on student test scores or abilities. The entrance criteria, by racist killer Adam Urbanski design, was teacher judgment. In the 1990's killer Adam Urbanski criminally controlled and infested racism in teacher hiring and still does.

He made sure there were very few teachers that look like most students in the RCSD. He made sure they were 100 percent not experienced, just like he does with all the RCSD superintendents hired. The repeated hiring of no experience teachers and superintendents is killer Adam Urbanski's guarantee RCSD student failure by his design because he is really the superintendent, who put everything in place, including the money.

What a no experience superintendent can do to outsmart killer Adam Urbanski, is buy several books on school superintendent duties, responsibilities, money allocation and personnel power, so one is clear and not dependent on killer Urbanski's over 30 years of deliberate school failure programming and most intelligent children poisonings and induce hospitalizations.

He festers off no experience superintendents and teachers because he can do anything he wants, including poison and induce hospitalize students on a regular basis, and they will have no clue. In fact, the above linked RCSD children food poisoning happened right under an inexperienced superintendent, who meant well, but simply did not have the experience and expertise to investigate, prosecute, clean up, and shut down the regional killer Adam Urbanski programmed poisoning experiment, inflicted on RCSD students. This was needed so it would not happen again. Instead, this killer poison program advanced to his Human Capital necromaniac poison specialist hiring and induce hospitalization programming.

Thirty years later, at 78 years old, with a history of his failure with student tests scores and no interest in the well-being of students, killer Urbanski is still criminally planted as RTA Union president attached to RCSD children. He is now putting in criminals, as teachers, to continue his institutional racism, targeting, destroying, and poisoning students. This is being done because he was not prosecuted for his criminal usurpations over food personnel, that poisoned RCSD students, using his homemade, entire qualified, food staff disappearance, when he bought the qualified RCSD food staff out.

He does such with qualified and experienced educators. He brought in his racist, money hungry, not qualified food poisoners, for criminally poisoning RCSD students previously. He administered criminal senile, teacher judgment, unreasonable hate crime programs, that effectuated repeated and deliberate discriminatory impacts, that injured students.

He should have been investigated and prosecuted long time ago, but the repeated hiring of inexperienced RCSD educators and superintendents, blocked such. Killer Urbanski's bigoted leadership in the RCSD, is evidenced in his repeated hiring of no experience educators, particularly educators of color. He is petrified of qualified, experienced, and prayed up leadership, black or white.

His repeated, up to today, organized fraud hiring of another RCSD superintendent half his age, with no actual superintendent experience, while he has the most experience in the entire district, then anyone else, exemplifies he wants to be someone's daddy, not equal education partner. This is what satanists do repeatedly, program leadership half their age with no experience for the specific purpose of implementing one of their many massive human sacrifice killing projects, they need for their satanic money and power pact with satan.

A RCSD example of planting inexperience people in leadership positions next to 78-year-old killer Adam Urbanski, who has over 40 years of corruption experience as RTA Union President, is the below appointment of a 19-year-old with zero education leadership. This 19-year-old was made a RCSD Board of Education Commissioner who is still on the board. today. He is more than likely a bright, and delightful person, but he was killer Urbanski programmed in, for his age RCSD board member. When no experience people come in, they are at killer Urbanski's mercy. He writes their position duties, he runs all meetings by faxes, whatever he wants is voted on favorably, because he is the presenter, organizer, and public corruption mastermind. Please see below. My point is the hiring of all, or majority inexperience people, while one has over 40 years of RCSD education management experience is not for student safety reasons. Please see the below.

Rochester, N.Y. — Isaiah Santiago, 19, was elected on Tuesday night as one of the new commissioners joining the Rochester City School District Board of Education in January.

Santiago made history with the win, becoming one of the youngest people ever elected to the role.

[https://13wham.com/news/local/rcsd-graduate-makes-history-after-winning-rochester-school-board-seat?fbclid=IwZXh0bgNhZW0CMTEAAAR2kySxx6Js28ZjvXIGTZZi\\_bwFZ7LDf7pXsKXjwAINFaiCmg8wIG8\\_EXDQ\\_aem\\_ZmFrZW1bW15MTZieXRlcw](https://13wham.com/news/local/rcsd-graduate-makes-history-after-winning-rochester-school-board-seat?fbclid=IwZXh0bgNhZW0CMTEAAAR2kySxx6Js28ZjvXIGTZZi_bwFZ7LDf7pXsKXjwAINFaiCmg8wIG8_EXDQ_aem_ZmFrZW1bW15MTZieXRlcw)

Both Santiago and the new youngest RCSD superintendent ever, 39-year-old Strickland, please both of you understand, you were handpicked and programmed by killer Urbanski, based on your age, not your experience, competence, or expertise. He wanted and wants people in the RCSD in leadership positions, who have no experience, are clueless, and blind. His goal is for the blind to lead the blind. Such cannot happen when one sees. Consequently, I write this in good faith as a wake-up call and urge all to do due diligence, while the killer is running the entire school system for student failure, particularly test scores. Killer Adam Urbanski is envious of diverse populations of students with high test scores.

In fact, as part of this criminal complaint, on behalf of public safety, I seek investigations into the whereabouts and health standing of RCSD last 10 years of student highest test scorers. It is my professional contention, after working with Killer Urbanski for almost 10 years and being inflicted with over 20 years of his necromania homicide attacks, that he is the only one in the RCSD monitoring student high test scores for wicked reasons. Further, he is programming via his unauthorized necromaniac Human Capital construct with unauthorized personnel power, poisoners to poison the students with the highest RCSD test scores. His programmed student poisoning is done for his organized fraud programmed emergency room placement in the University of Rochester Medical Center, as noted below.

Hence, everyone, please read this article affidavit carefully, because, with killer Urbanski on the loose, the life you save may be your own. No one can make these things up. See the above RCSD children poison article. Killer Urbanski programmed the poisoning of RCSD children period and did so at the expense of inexperienced educators in leadership positions. Killer Urbanski via his homemade necromaniac unauthorized RCSD Human Capital front, is programming the hiring of majority no experience people, and criminals, to access and destroy RCSD precious in God's sight children.

Programming the hiring of inexperience people is killer Urbanski's pattern and practice and such is for deadly reasons discussed below. Killer Urbanski is following some type of demonology, slavery, bondage, how to oppress people manual, and part of the scam is him being the only experienced and knowledgeable person in the area. In this matter, the area is education management. Things like job and or position descriptions, as well as authenticated mission statements, are held in secret for the advancement of confusion, pitting, a false phenomenon of supremacy and more. The satanists are loaded with deceptive and lawless schemes, in order to get their satanic required killings, blood draining's, inflicted atrocities, and more.

I will get back to this. I have one more example of how satanists exploit and use young people's lack of experience, to facilitate, their antiquated, programmed, satanic crimes and killings, that they must have, to meet their satanic oath for money and corruption power.

In the below link you will see a programmed and exposed NYC induced nuclear attack for label dead, while alive, satanic ritual prey creations. See how the satanists literally planned this murder program at the expense of a 39-year-old mayor. He was so happy to be there, he probably hated me, for notifying all about this satanic cult satanic ritual human sacrifice killing program. I had to. Yet, the satanists had a big celebration for the satanists container secret.

They celebrated a big ship called a container, and no one, including the mayor, mentioned or knew what the container ship was for. An experienced Mayor would have addressed the missing information. But the satanists know, young people in high positions, are so happy to be there, they forget the true purpose of leadership positions, which is to protect the people from enemies, satanist/criminals and to use Gods laws rooted in the USA and state Constitutions, to demise demon force criminal attacks.

In the below link, you will see satanists planning another massive killing plot, at the expense of the targeted 39-year-old mayor's leadership. The satanists seek out no experience people to kill massively under his/her leadership. It is a form of envious, satanic, and deadly exploitation. Please see the age comparisons and the big-time container everyone celebrated and not once said what the container was for at:

<https://archive.org/details/final-november-7-2022-nyc-planned-nuclear-attack-for-induce-regional-killer-c/COR%20NOVEMBER%208%2C%202022%20NYC%20PLANNED%20NUCLEAR%20ATTACK%20FOR%20INDUCE%20REGIONAL%20KILLER%20C/page/8/mode/1up>

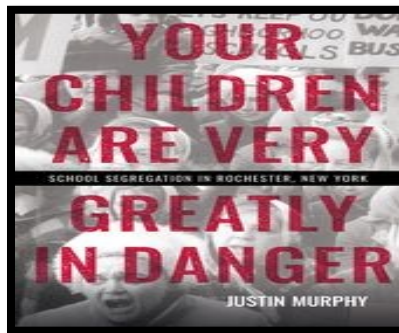

Please listen to the satanic management audio below, calling a project secret, never mentioning what is the project for in clear English and never stated what will be kept in the secret container. This is an example of killer Urbanski's satanic cult's human sacrifice programming at the expense of hoopla, propaganda and a, satanic cult, hand-picked, no experience mayor.

Listen and you be the judge!

<https://www.wbal.com/massive-new-container-terminal-rail-facility-coming-to-tradepoint-atlantic/>

The satanist are following some type of demonology, eugenics, induced oppression, slavery, racist, and envy book. They forfeited their God given skills, so everything they do has to be wicked and from their witchcraft and demonology book. Hence, I urge all, until this killer is removed, keep a spiritual warfare book next to you and every aspect of RCSD management compare such with what the Bible says, if it is in contravention to God's laws, challenge and get rid of it, or later one will face killer Urbanski's plotted demonic and wicked consequences.

With respect to, the MAP program investigation, it was revealed that killer Adam Urbanski's was the one controlling and instituting, race base teacher hiring, which effectuated teacher bias judgment, which overlooked student test scores and this is what kept the MAP program with a discriminatory impact, that harmed students. The School Based Management team voted to change the MAP program entrance criteria from Urbanski's teacher judgment, to test scores, like it should have been all along.

**Your Children Are Very Greatly in Danger: School Segregation in Rochester, New York**

<https://academic.oup.com/cornell-scholarship-online/book/45162>

Thereafter, I criminally became an Adam Urbanski attempted murder target. He inflicted his noted above deadly sleep deprivation, induce trauma and tried to have me induced hospitalized and killed. But God! After fighting for a fair MAP program, he would program someone in my house to turn clocks upside down and move things around, coupled with his induce sleep deprivation trauma.

RTA Union President Killer Adam Urbanski wanted an induce hospitalization nervous breakdown, with his University of Rochester Medical Center arranged, organized, waiting and ready, emergency room placement, with his programmed infectious disease induce cancer injections like he has done to so many other, healthy, innocent, experienced, and human rights advocate educators and students.

When his induce sleep deprivation and trauma did not affect his programmed induce nervous breakdown hospitalization with his infectious disease paid for drug dealing injections, he paid someone to follow me to the movies one night. The person poisoned me. He put some LSD in my soda. I hallucinated but God's grace and mercy intervened, and I got home.

I knew someone was trying to induce hospitalize me in the University of Rochester Medical Center hospital via the emergency room. Later I found out, that the University of Rochester Medical Center emergency room is one of satanist and killer Adam Urbanski's, primary label dead, while alive, and induce cancer via injection, death motels. Killer Urbanski came after me with his criminal senile vengeance and the timing was right around the time, I corrected his killer Adam Urbanski, by racist design, discriminatory impact RCSD MAP program. Thirty years later he is still induce hospitalizing experienced, qualified and competent educators. Since not penalized yet, he has criminally escalated his induce hospitalization crimes and killings to include students.

An associate saw what was done to me and called my family to come to Rochester to get me, while I was alive. I was one step from dead due to killer Adam Urbanski's attempted murder via his plotted induce sleep deprivation emergency room hospital set up. I resigned and never looked back. I did investigate what happened to me when I got downstate.

The spirit of the Most-High God told me to put killer Adam Urbanski's name in the University of Rochester Medical Center search engine and BINGO, there was the induced sleep deprivation that almost killed me. It was listed as killer Adam Urbanski sleep research. Thereafter, I put all the satanists names I knew at that time in the University of Rochester Medical Center search engine and every satanist and regional killer was working out of the infectious disease department of the University of Rochester Medical Center. It was unbelievable. I told God I did not want this assignment.

I knew I just found a double life, conflict of interest, regional and satanic killing cult. Regional Killer Boyden Gray was in the University of Rochester Medical Center search engine results as the biggest infectious disease drug dealer from U of R Medical Center to WHO. He was an alleged lawyer who I reported and fought against via exposure of his scientific obstructions for over 20 years. Finally, I sought the death penalty for him for his massive assaults on children and for being the next to killer Urbanski, one of the master conspirators in harmonizing/infesting the African region with killer Adam Urbanski's paid for University of Rochester Medical Center created deadly pathogens. Please see pages 37-41, emphasis page 40 at:

<https://archive.org/details/final-may-24-j-2024-regional-killer-adam-urbanski-puts-rcsd-killing-details-in-p/page/39/mode/1up>

Regional Killer Boyden Gray, after seeking the death penalty for his documented scientific obstructions, he allegedly died. However, his crimes escalated toward me, because it was killer Adam Urbanski the whole time using his University of Rochester Medical School two other regional killers, Boyden Gray and Jonathan Lippman, the NYS Chief Judge, to terrorize me, because of God's rescue.

Jonathan Lippman, the NYS Chief Judge, at the time, he was in the University of Rochester Medical Center search engine results under children and cancer research. These were the 3 major satanists who were stalking, terrorizing, income backlisting and trying to have me killed in NYC. But God! Now there are several satanists using New York agencies and agents for the sole purpose of killing New Yorkers for the satanists to me their satanic killing requirements.

Please see these ten NYS double life, democide, conflict of interest, regional killer satanists, who specialize in satanic ritual abuse torture inflictions, human trafficking, and satanic human sacrifice killing, of New Yorkers for their personal gain money and corruption contract with satan at pages 10 to 18 at: <https://archive.org/details/final-may-24-j-2024-regional-killer-adam-urbanski-puts-rcsd-killing-details-in-p/page/13/mode/1up>.

He has created a necromaniac and unauthorized RCSD Human Capital office to facilitate his necrophilia obsessions, children, and adult human sacrifice killings and his RCSD children human trafficking satanic wealth plan. He used the below noted counterfeit body donor laws and his RCSD necrophilia Human Capital concoction to secure signatures for his plotted whole-body donations, so he can injure, assault and kill RCSD members of the human race, for his satanic cult's wealth and power compacts, in exchange for killing, infesting, harming and injuring God's creations.

Consequently, despite being satanically attacked and inflicted with repeated attempted murders, by the above named satanists, in the last 30 years, I excelled in education. However, I was always terrorized when traveling tenure and pension time came. Killer Urbanski stalked me to every job and paid lawyers and NYS crime victim agencies to not help stop the crimes. He wanted me to be his human sacrifice, label dead, while alive missing person, and later killed, like he has done so many other people. But God!

Killer Urbanski sought revenge for God's rescue of me and paid criminals in law departments in over 10 districts and colleges to assault my God given right to earn income. One district he paid top dollar to attempt to kill me and killer Adam Urbanski's paid for attempted murder is documented in the settlement. Please see page 15 at: <https://document.forevermissed.com/1st/m/a/mazarine-levy-snyder/d/4056790.pdf>. I had to sue pro se because he stalked me to every lawyer and paid all lawyers I went to, to not help me or my students, who killer Urbanski inflicted hate crimes on. But God!

See a settlement, I tried to get for my students because killer Urbanski stalked me and hates inner city children. In the below linked Yonkers Public school settlement agreement negotiations, for Regional Killer Adam Urbanski's paid for law department directive to obstruct state and federal laws, to traumatize, injure, harm, and inflict hate crimes on my middle school ESL students, the day before the children's Christmas break celebration. Please note students and parents had sent in multicultural items and food to share for the celebration.

Killer Adam Urbanski paid a law department criminal to remove me from the school, to have the students and parents goods waste for the holidays. Killer Urbanski also did this because of his always seeking revenge for God's escape from his Rochester NY attempted murder of me. He hurt my middle school students and parents due to his criminal senile envy of an experienced and God gifted and chosen educator status. He is criminally senile, 78 years old, and does not need to be near children. Please see exhibit 61, page 105 and exhibit 71 at: <https://archive.org/details/march-29-2024-rcsd-adam-urbanski-programs-his-eugenic-massacre-202403/%20MARCH%2029%202024%20RCSD%20ADAM%20URBANSKI%20%20PROGRAMS%20HIS%20EUGENIC%20MASSACRE%20/page/105/mode/1up>

Regional killer Adam Urbanski is criminally attached to RCSD children for his demonic obsession with conspiracy to murder crimes, to continue and escalate his criminal over 30 years practiced, RCSD children induce poisonings, for induce hospitalizations, for his hospital paid for label dead, while alive status and funeral preparation, for his gravesite exhumations, for his body broker children blood draining, for his blood thirsty satanic rituals, and for his RCSD children human trafficking satanic wealth plan. Simply put, regional killer Adam Urbanski is criminally attached to the RCSD at 78 years old, for his continued criminal use of RCSD children and adults, for his human sacrifice killings required to meet his satanic cult's blood thirst satanic rituals, for wealth and corruption power in silencing his crimes and killings. But God!

I know first-hand and can testify under the laws of the USA, that Killer Adam Urbanski has no conscience, no regards for children and no regards for human life. As such, he needs to be removed from all affiliation with RCSD students and the RTA. Please see on the link below the attempted murder charge on the Hempstead Public Schools settlement at page 15 and see pages 16-26 for some, not all of the commendations I received in the midst of killer Urbanski's human sacrifice attempted murders of me and hate crime payments at: <https://document.forevermissed.com/lst/m/a/mazarine-levy-snyder/d/4056790.pdf>

Despite killer Adam Urbanski's multiple inflicted poisonings on me, multiple attempted murders, stalking, conspiracy against rights, and his hate crime administrations, inflicted on me repeatedly, I earned exemplary education commendations from the NY Education Department, parents, community members, colleges, educators, and students. Killer Adam Urbanski is an envious, God given skills sold, killing demon.

He must not be near children anymore. What he has done to me and my family, I will make sure he does not do to anyone else silently. He is a criminal senile killer. He induced hospitalized, programmed his prepaid hospital protocol label dead, while alive, on my healthy sister, my father, and my mother. He programmed a violent and malicious attempted murder of my nephew, after he killed his mother. But God!

There is no reason for his unauthorized RCSD necrophilia Human Capital kill program office, other than, it is for his programmed RCSD student and staff, induce hospitalize, label dead, while alive human trafficking, human sacrifice programming, human capital whole body investments, live organ sales, infectious disease injection stalking, selling, and killer Urbanski's counterfeit law, body donor consent form signature gathering.

Up to today, necrophiliac and killer, Adam Urbanski, stalks me with voyeurism in the gym, in my home and more. I am a seasoned educator. God covers me daily. Can you imagine what he is doing to children in his perversion? Regional Killer Adam Urbanski is not a normal person. He is a satanic creation seeking power, wealth, and control, he could never earn on merit. He festers off conspiracy to murder criminal administrations. 18 U.S. Code § 1117, conspiracy to murder is the purpose of his RCSD attachment and his unauthorized necrophilia Human Capital concoction.

He earned the death penalty and in God's time he will be arrested and face the death penalty for his programmed poisonings, induced hospitalizations, infectious disease harmonization's and massacres, targeting children, human trafficking, blood draining, infectious disease programmed sterilization injections for students and adults, and his overall human sacrifice killing programming for his satanic contract for wealth and power he could never obtain on his own.

In short, when I saw the above linked RCSD student poisoning article, I knew killer Adam Urbanski was the programmer. He was using the food poisoning to induce RCSD students in the hospital, particularly in the University of Rochester Medical Center hospitals and attachments. The RCSD children have been induced in such hospitals for killer Urbanski's prepaid hospital protocol label dead, while alive fix up for funerals, consistent with the below Covid 19 banner which states, hospital protocol kills.

It was documented that, the satanists paid hospitals for hospital protocol label dead, while alive creations, using induce breathlessness receptors, and tubulations. Please see on the below link this satanic, blood thirsty, cult's Covid, name aligned, induce breathlessness dental injection placement of a breathless receptor, to be activated by the satanists, for induce breathlessness hospitalizations, for prepaid hospital protocol, label dead, while alive tubulation. Please see this cult's Covid deceit mass murders at exhibit 4, and 6-9 on the below link.

The criminal satanists, prepaid hospital, label dead, while alive hospital fix up for funerals, has been criminally perfected. After the satanists targets, are labeled dead, while alive and hospital fixed up for a funeral, they are funeralized and buried accordingly. Thereafter, killer Urbanski administers his grave usurpations/robbing's and or organized fraud repulsive exhumers, to get the children and adults live bodies back that he paid the hospital for the criminal set up of label dead while alive. See the below excerpt, where doctors discuss grave robbers consistent with killer Adam Urbanski's, criminal senile, necrophilia roles in human trafficking and human sacrifice programming. As part of his satanic pact for required satanic killings and atrocities for money, he is criminally profiting from the criminal sale of humans.

As a necromaniac, killer, and Rochester Teachers Association Union President Actor, Adam Urbanski, has criminal obsessions with body broker chop shops, Human Capital fronts, body investment/sales facades, funeral homes, cremation service frauds, burial sites, cemeteries, autopsies, and memorials. His morbid preoccupation with corpses and whole-body donation consent form unconscionable contracted signature gathering, is exemplified in his criminal creation of the RCSD unauthorized Human Capital body brokerage office.

Schools do not and are not allowed to invest in human body parts. Hence, they are not called Human Capital offices. Body broker and necromaniac Adam Urbanski's, RCSD Human Capital, human trafficking and human sacrifice killing programming office, must be shut down. It is a criminal masterminded satanic killing children human trafficking wealth plan office.

Adam Urbanski's RCSD Human Capital office is his human trafficking, human remains sales, whole body investments, live organ sales, human capital investments, eugenics, human sacrifice programming, population control, infectious disease injection stalking and selling, and forced sterilizations, office, criminally using his satanic cult's human sacrifice counterfeit laws such as Title X, IX, and donor consent form, delusions of law.

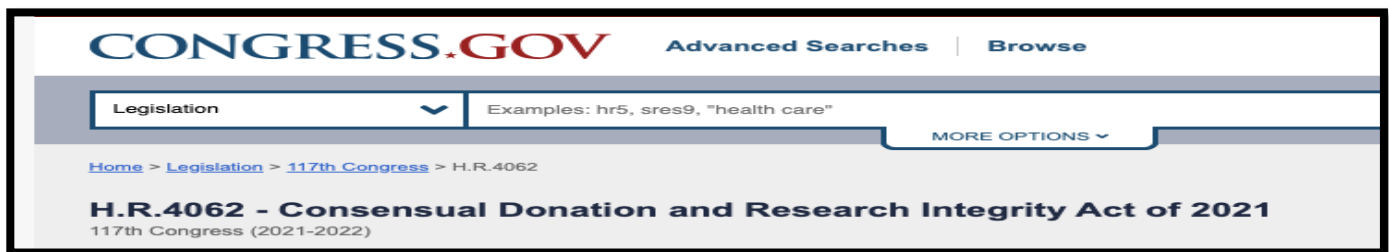

Please see the below three counterfeit laws, authorizing satanists, sexual perversions with live and dead children and adults. The below three counterfeit necrophilia satanic laws authorize sex with a corpse, children, and adults, live or dead, as long as the satanists have their unconscionable contracted consent forms. These fraudulent laws serve no other purpose but to advance regional killer Adam Urbanski's deadly induce hospitalize, label dead, while alive hospital fix up, killer Urbanski retrieving the live body from the burial site and bringing such to his unsupervised body broker rape live and dead bodies entity.

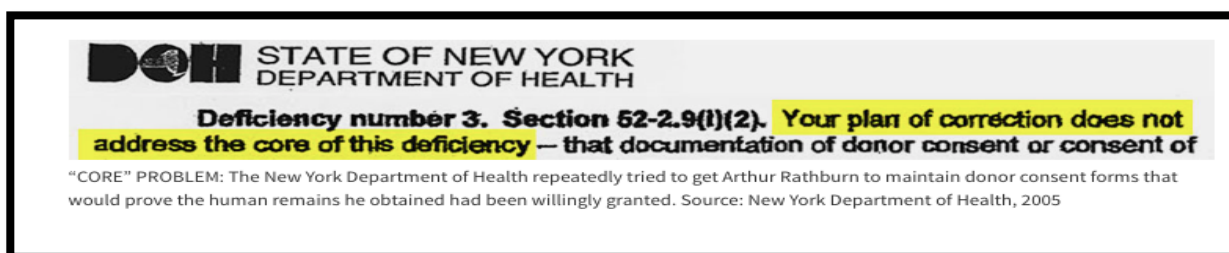

Thereafter, he is human trafficking some of the children and first raping his blood draining innocent blood children, for adrenochrome blood draining. This regional killer got three counterfeit laws created so he can rape, human traffic and human sacrifice kill, healthy and innocent children and adults. Something is wrong. Please see the three below counterfeit necrophilia Killer Adam Urbanski criminally paid for obstruction of the rule of law, laws and scientific obstruction laws that violate the dignity of the dead and the alive at:

IN NEW YORK, SEXUAL MISCONDUCT WITH **A CORPSE** IS A CLASS A MISDEMEANOR, WHICH CAN RESULT IN UP TO A YEAR IN JAIL AND A \$1,000 FINE. SEXUAL MISCONDUCT IS DEFINED IN THE NEW YORK **PENAL CODE SECTION 130.20** AS **ENGAGING IN SEXUAL CONDUCT WITH A CORPSE WITHOUT CONSENT.** THE MAXIMUM SENTENCE FOR SEXUAL MISCONDUCT CAN ALSO INCLUDE UP TO SIX YEARS OF PROBATION AND REGISTRATION AS A SEX OFFENDER FOR 20 YEARS OR MORE

The above NYS criminal necrophilia friendly and scientific obstruction law authorizes killer Urbanski and all his necromancy summoned demons to have sex with corpses, label dead, while alive patients, antemortem, muted mouth live people, undead hospital creations, and more, if the satanic cult members, have consent forms. Does this make sense? No! We the people must stop this deadly destruction of the dignity of the dead, law making. The law must ban all, from having sex with a corpse, antemortem, label dead, while alive specimen, and more. Counterfeit law-making is a satanic human sacrifice killing device and must be stopped. Please see the below additional counterfeit law. This law does not state what is consensually donated, live or dead bodies. This law criminally advances human trafficking and human sacrifice killing by authorizing human trafficking and human sacrifice killing, if consent forms are secured.

The below law does not state what is consensually donated, live or dead bodies. This law criminally advances human whole body trafficking, human remains trafficking and human sacrifice killing by authorizing human remains trafficking and human sacrifice killing if consent forms are secured.

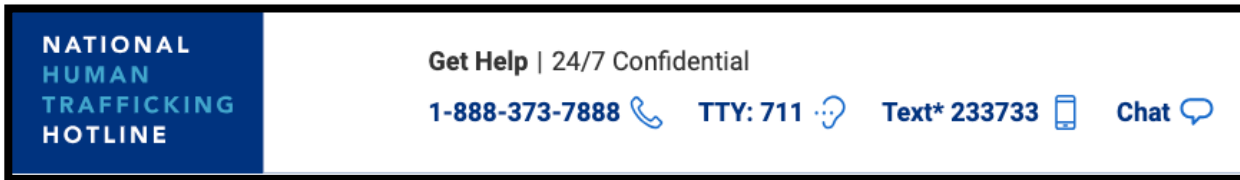

The above three counterfeit and necrophilia friendly laws do not define: What is the consensual donation or donor consent? Is it a consent form for donating **live bodies or dead bodies?**

Based on my over 30 years of being criminally attempted murdered by regional killer Adam Urbanski, I can say Adam Urbanski has everything in place for his criminal senile children and adult induce poisons, induce hospitalizations, prepaid hospital label dead, while alive, funeral home fixed up creations, for his paid for organized fraud label dead, while alive repulsive exhumers, for his unsupervised body broker placement, for his children and adult human trafficking medications, brain killing, and or mind control technologies, for his sex trafficking slave creations.

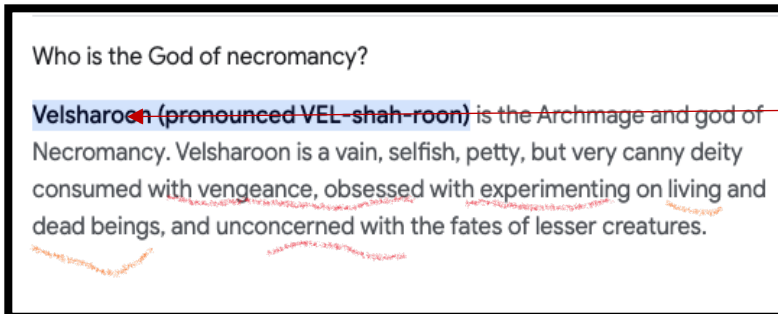

Please see in the below link, some of regional killer Adam Urbanski's deadly brain kill and mind control criminal technologies, like his child assassin creation brain technologies, he uses to create sex and human trafficking slaves. These mind-altering technologies include his above noted deadly sleep research. for his programmed deadly and effective human and sex trafficking creations/workers pages 2 and 3 at: <https://archive.org/details/grav-lippman-step-by-step-guide-creating-children-assassins-vaccine-induced-infe/page/n2/mode/1up>

He is getting ready to escalate his student and adult, poison, infest, harm, induce hospitalize, and place his prepaid label dead, while alive funeral fixer upper, in one of his unsupervised body broker chop shops. He is preparing for his plotted, repulsive live body exhumers, for some RCSD children to be human trafficked and others to be blood drained for his blood thirsty satanic cult member rituals. Some children and adults will be human sacrifice killed, for his satanic ritual killing oath requirements for money. Some of his poisoned and induced hospitalized innocent blood children he is dreaming of raping them for his needed adrenochrome blood draining.

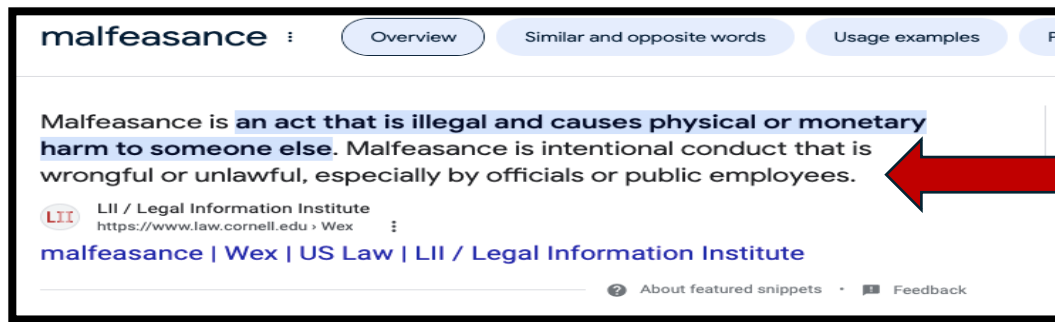

The below documented necromancy demon has obsessed killer Adam Urbanski with experimentation, torture, innocent blood draining's, human trafficking, human sacrifice killing, torture to death, infectious disease injections, raping's, sterilization injections, voyeurism, bestiality, loss of conscience, and more, all for money, he can not take with him when he dies.

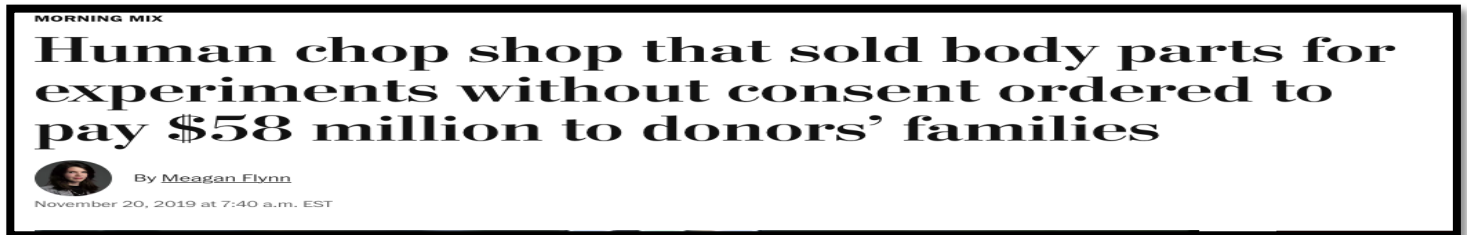

Killer Urbanski's criminal concoction of his RCSD Human Capital killing office and his three above ambiguous donor consent counterfeit laws, authorizing his sexual perversions if he gets his Human Capital office ready, live and dead body donor consent forms, exemplify the need to shut his human capital office concoction down immediately. The three above noted counterfeit laws advancing children and adult, repulsive exhumers, bodysnatching, raping, sexual perversions, human trafficking, undead and antemortem creations and human sacrifice satanic ritual killings, if the satanists have consent forms, is scandalous and an egregious obstruction to equal protection of the law. As such the ambiguous donor consent counterfeit laws and any law that authorizes sexual perversions with corpses, undead creations, antemortem, label dead, while alive creations, and or muted mouth live people, must be destroyed.

This malfeasance mistakenly adopted, RCSD Human Capital office, which criminally controls personnel, medical and dental records, must be demised and the office name rescinded. The RCSD Human Capital office must be given its proper name back as RCSD Human Rights office or Human Resources, or Personnel office. Creating deceptive titled and performing offices, is what false phenomenon of above the law, criminal senile, witch doctors and warlocks do. They create criminal entities so their crimes and killings will fit right in, because the necrophilia RCSD Human Capital entity does not belong in the RCSD in the first place.

Exterminating, killer Urbanski's unauthorized Human Capital front, is the first step in breaking killer Adam Urbanski's RCSD student and staff killing oath/curse. Killer Urbanski did what desperate for money and criminal senile, witch doctors and warlocks do. They inflict curses from the start, that are rooted in lawlessness, criminality, and evil. Those are the satanic wealth plan reasons for planting the killer Adam Urbanski, no one is watching, unauthorized RCSD Human Capital office.

For the record please note, again, Human Capital offices belong in body broker body chop shops, live organ sales sites, body parts for experimentation offices, and whole-body criminal donation investment facilities, like the below mentioned. Human Capital offices do not belong and do not have any authority to be in schools with precious black and white students.

All satanists finding ways to kill children for their criminal senile satanic wealth and power plan must be exposed and stopped. This is a biblical dictate rooted in Ephesians 5:11.

**In addition to charging regional killer Adam Urbanski, with the below listed crimes, I emphasize the need for prosecuting him for the death penalty for his attached noted multiple conspiracies to murder. I further emphasize the below charges for regional killer Adam Urbanski's unauthorized, necromaniac, fraudulent attachment to the RCSD as his Human Capital concoction office.**

**⇒ 420.00, OFFENSES AGAINST PUBLIC ORDER**

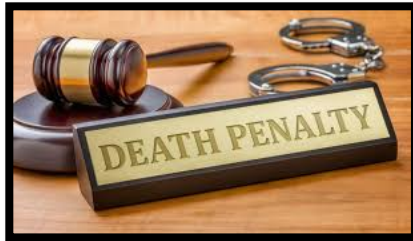

**⇒ 240.15 CRIMINAL ANARCHY, E FELONY**

**I charge killer Adam Urbanski with criminal anarchy in the creation and placement of his necromaniac Human Capital office in the RCSD by force. Its purpose was to overthrow the people's right to privacy, and equal protection of the law. I further state that his necromaniac unauthorized Human Capital office was created to advocate for satanists to get their signed donor consent forms by unconscionable means, so necrophiliacs like killer Adam Urbanski, can have sex with corpses, whole body donations, and children, under the delusion of law, of consent forms.**

**I further state that, the necromaniac RCSD Human Capital office was criminally created for the removal of power of the RCSD personnel, human resources and human rights offices. Additionally, I charge regional killer Adam Urbanski 's criminal placement by force of his necromaniac Human Capital office in the RCSD with unauthorized hiring, medical and dental power, as a clear offense against public order. The usage of the unauthorized necromaniac Human Capital office to secure donor consent forms that would allow satanists and or body brokers to have sex with corpses, undead creations, and live humans, regardless of age, as long as they have forms, is egregious, blasphemous and unethical. Regional Killer Adam Urbanski's necrophiliac and unauthorized Human Capital office conflicts with social policy, obstructs accepted moral values, and is in-contravention to public opinion.**

**It is a crime against public order to force the criminal placement of a sexual deviant office in any school district. Regional killer Adam Urbanski's necromaniac and unauthorized Human Capital concoction is a sexual deviant office because such office criminally advocates, for the sexual perversion and gratification of necrophiliacs, via unconscionable donor consent form signature gathering. The RCSD community can not excel to the pyramid level God has in front of it, as long as regional killer Adam Urbanski's satanic and old dead weight, with his sexual perversions continue to criminally attach to RCSD children and continue to interfere with state and federal laws that protect students.**

**The current advertised RCSD Human Capital creation, tied to documented necromaniac RTA Union President Actor, and killer, Adam Urbanski, surely does not belong in a school system, where students have been poisoned previously, under a killer Urbanski qualified food worker entire staff pay off and disappearance phenomenon. Investigations are still needed for accountability of such criminal RCSD student food poisoning programming and to assure such evil programming will not happen again. The killer Adam Urbanski RCSD Human Capital killing program office must be shut down for the reasons set forth above and on behalf of ending RCSD Adam Urbanski's student poisonings for criminally creating human traffickers and prey for his human sacrifice killing programs.**

Above all, I, Miriam Snyder invoke the below criminal charges for the death penalty enforcement against regional killer Adam Urbanski for his RCSD children poisonings, including: every induce hospitalization that followed, every prepaid hospital label dead, while alive funeral fix up, every killer Urbanski organized crime paid for exhumation of the label dead, while alive, every undead creation criminally placed in killer Urbanski's non regulated and unsupervised body chop shops, every rape, every blood drain, every mind altering drug and brain washing technology and medicine rendered for human traffic and sex traffic worker creations, every whole body cloning, every necromancy demon led torture experiment inflicted, every scientific obstruction, and every human sacrifice satanic ritual killing he implemented.

I, Miriam Snyder invoke the below criminal charges for the death penalty enforcement against regional killer Adam Urbanski for his University of Rochester Medical Center paid for deadly viruses and virus replication injections inflicted on Africans, for his Africa regional killing Harmonization Project, for his NYC 911 human sacrifice killings, for his NYC and Atlanta University of Rochester Medical Center infectious disease defraud injection releases on young people for his human sacrifice killings and lifetime young people placement on drugs for his satanic wealth plan. I invoke the below charges for his Covid 19 fraud rooted in him paying dentists to inject his satanic brother Boyden Gray name aligned breathless receptors in healthy people, to be activated by the satanic cult members, to induce hospitalizing innocent and healthy people for a fraudulent Covid diagnosis and a prepaid hospital protocol label dead, while alive, human sacrifice killing.

I, Miriam Snyder invoke the below criminal charges for the death penalty enforcement against regional killer Adam Urbanski for his induce hospitalization killing of regions of people, conspiring to kill regions of people, and criminally using murder by proxy programming's, to relentlessly rape, drain innocent children's blood for his satanic bloodthirsty men and women. I seek him to be prosecuted using the below as a guide for prosecuting him.

**I want all readers to glance at killer Urbanski's below intimidate a witness, stalking, criminal senile voyeurism and vandalism crimes inflicted recently while writing this report, in my home. He has been vandalizing and criminally doing his voyeurism crimes for over 30 years. They are not consented. The below is just 2 incidents. He paid one of his criminals to criminally come in my house, to put holes in my below documented, relatively new furniture and bust the third computer charger in less than 6 months. The 2022 furniture receipt is attached. By 2023, he paid his criminals to put over 50 holes, and removed over 35 buttons, in one of the couches. I made police reports, and nothing was done. The crimes continue. I must let the world know about this killer. I change locks monthly, still not safe. I have 3 cameras. They are disabled for his crimes, rapes and killing attempts. He pays criminals to come in my home. He had my 90-year-old mother raped. I did not know then, but now I know. When I went to the store around the corner, her pamper would be off, repeatedly. Then he induced her in the hospital and had her labeled dead, while alive. Killer Adam Urbanski needs the death penalty. He is again, trying to have me killed via his criminal senile, necromaniac, induce hospitalization, label dead, while alive killing. But God!!!! Please use PDF mode to enlarge.**

Part of Regional Killer Adam Urbanski's RCSD Conspiracy to murder students and staff steps, is the hiring of inexperienced education administrators. This is done for his easy education management, curriculum development, personnel, and student safety management usurpations. An example of this, is his criminal placement by force of his unauthorized, necromaniac Human Capital office. To this end, Rochester qualified and experienced ministers and educators are urgently needed to work with killer Adam Urbanski's programmed, no experience, half Urbanski age, Urbanski deliberately selected, RCSD superintendent, to effectively retake the entire RCSD from regional killer Adam Urbanski's over 30 years of planted satanic occultism designed to kill, with specific envy intent to harm and injure inner city children.

He has been deputy superintendent since March 2023. He also served as dean of students in New York City. The **39-year-old** will become the youngest person to lead RCSD in at least a century when he formally assumes the role July 1. May 23, 2024

I invoke the below scriptures for the immediate removal of 78-year-old, criminal senile, and killer Adam Urbanski from being near and or working with any RCSD children and or adults expeditiously. Further, I summon the below scriptures for the immediate destruction of killer Adam Urbanski's RCSD mistakenly accepted, Human Capital concoction. I pray for a Godly resurrection of a superintendent one hundred percent controlled, RCSD personnel office and budget. I pray for God's sovereign power to peacefully dismiss every killing, induce injury and or induce hospitalization curse and demon force, killer Urbanski planted in the RCSD.

I pray for God's omniscient favor to overwhelm the RCSD in every aspect, effectively punching the devil in the eye. I decree and submit these prayers to the Most-High God in the revered name of his beloved human sacrificed blood shed son, Jesus Christ.

I invoke:

Proverbs 29:10

**The bloodthirsty** hate a man of integrity; and they seek the life of the upright.

Psalms 5:6

You will destroy those who speak lies. the LORD abhors the **bloodthirsty** and deceitful man.

Psalms 26:9

Don't gather my soul with sinners, nor my life with **bloodthirsty men;**

Psalms 55:23

But you, God, will bring them down into the pit of destruction. **Bloodthirsty and deceitful men** shall not live out half their days, but I will trust in you. For the Chief Musician. To the tune of "Silent Dove in Distant Lands." A poem by David when the Philistines seized him in Gath.

Psalms 59:2

Deliver me from the workers of iniquity. Save me from the **bloodthirsty men.**

Psalms 139:19

If only you, God, would kill the wicked. Get away from me, you **bloodthirsty men**

**NOTARIZED PAGE CRIMINAL REPORT DATED MARCH 29, 2024**

compared to other school district death rates. I am sure everyone will be amazed. Students and staff have been killed at disproportionate rates in the RCSD or Adam Urbanski would never plant his Human Capital Body Broker office amid RCSD and plant it as an authority office when its agenda is to kill students and staff for easy body broker and insurance satanic conspired killing money.

On behalf of human life, please forward this criminal report across the nation, to Most High God loving ministers, members of the media, criminal justice, judicial, legislative officials, and more.

To this end, I again, invoke, 42 U.S. CODE § 1986 - ACTION FOR NEGLECT TO PREVENT. I look forward to the enforcement of the death penalty and the administration of the above. Please let me know if further information is needed. Thank you for your time.
